Proud Moments

BY ERICA LAND

I would like to take an opportunity to recognize our officers who have been awarded officer's of the month for their actions.

On April 8, 2021, officers responded to an assault call on Hughes Street. Officers located the victim who was suffering from upper body injuries and the victim's vehicle was missing. Officer's on scene assisted in determining the details of the missing vehicle. The vigilance of Officer Bolling and another officer made it possible to quickly locate the vehicle on the Northside of town and identify a suspect. Detectives responded to the scene and the suspect was charged with two felonies.

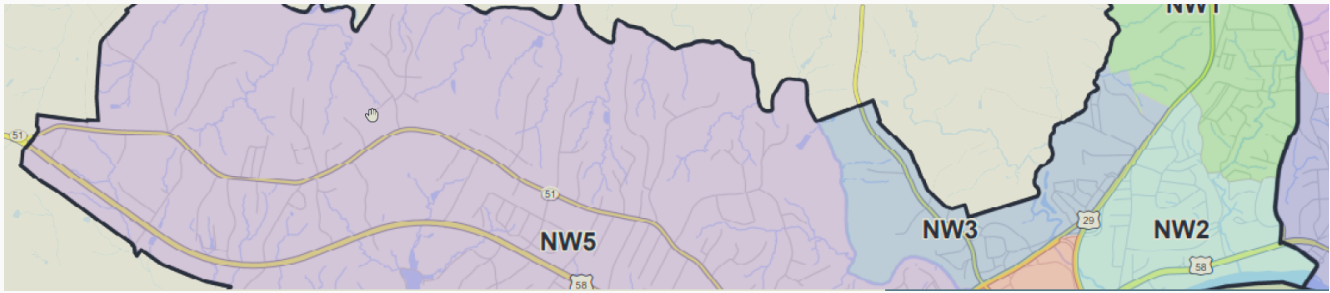

On May 20, 2021, Officer Pickrel answered a call regarding a theft. Unknown to him at the time, the suspect in this incident had several outstanding cases before the court and was prepared to take extreme steps to avoid arrest. While making the arrest, the suspect attempted to escape from Officer Pickrel.

During the escape attempt, Officer Pickrel appropriately used empty hand control techniques to contain the suspect and then used de-escalation techniques to de-escalate the incident from the level attained. Officer Pickrel was very professional with the suspect after he was no longer considered a threat.

The suspect was arrested for multiple offenses.

In recognition of their actions, I have selected pictures of them doing additional good deeds. Thank you Officers Bolling and Pickrel for representing the Danville Police Department, the Northwest Quarter and the City of Danville so well.
